Registered Charity number 1041232

Supporting independent mobility, Exeter Community Transport Association aims to enrich the lives of disabled people in the Exeter area by providing the independence to access the city and shopping facilities, attend events, meet with friends and enjoy company. These are everyday activities which able-bodied people may take for granted and seem difficult to exist without. We offer our help to anyone who has a mobility difficulty, whether temporary or permanent, young or elderly. Residents and visitors to Exeter use our vehicles.

We at ECTA achieve our aims through the provision of Ring & Ride, Shopmobility, Leisuremobility, Taxicard and ExeAccess.

We provide a friendly service and thousands of regular users come back to us time and time again. We are proud to have won the National Federation of Shopmobility, Tom Hillier Award – a user nominated accolade for the most caring, helpful and friendly service in the country.

Through our high standards and commitment to our staff and volunteers, we gained the Investors in People award in 2005 and again in 2008 and we strive to maintain these standards.

INVESTORS IN PEOPLE

ECTA works with organisations to promote access and to help local businesses to overcome the obstacles which prevent persons with limited mobility to access their facilities. We develop our services through the feedback that we receive from our users and with the constant dedication of our volunteers. It is important to all of us at ECTA that the services that we provide accurately address the needs of our users and potential users.

What our users say about us:

"I would like to express my gratitude to the staff and helpers... I was able to shop around Exeter with ease"

"Newly disabled, this was the first time I was able to go shopping and feel safe"

"Thank you for a superb service"

"I don't know what I would do without Exeter CTA"

A registered charity, ECTA relies on donations from the public and money raised through corporate sponsorship and partnership.

Exeter Community Transport Association's services are supported by:
