Christmas Fundraising Event

On the 14th December our Chairman Chris Gale and Manager Mike Ellis attended a Christmas service at the Mint Methodist Church Exeter, hosted by the Community Choir Linking Voices.

The concert was very much in the style of un-accompanied gospel singing and it was a joy to watch and listen to such a talented and well-practised large group such as this .

There were many songs sung from the back catalogue of some famous performing artists such as Van Morrison and the Kinks, sung in gospel style and should you ever get the chance to attend one the Linking Voices concerts please go or you will miss a real treat

The event was ticket only and well attended and held in the main hall of the church complex. The concert was over an hour long and was an absolute joy to attend .

On behalf of ExeAccess Mike gave a brief talk on our charity's services and thanked those gathered for their financial support.

A coffee and cake morning was held after the concert and with the concert the total raised for ExeAccess was £530 .

Events like this help to fund ExeAccess' running and fleet replacement and should you know of any event who would like to sponsor our charity please let us know .

Happy New Year from everyone at Exeaccess

To all Taxicard users

Dear Sir/Madam

Taxicard 2014-2015

This letter is to inform you that from April 2014 the Taxicard scheme will no longer be in existence and no claims for refunds will be honoured after that date.

The decision to cancel Taxicard is due to grant funding we receive for the scheme being withdrawn and subsequently as a small charity we can no longer afford to run it.

We apologise for this bad news but in the current climate we have been very lucky to keep the scheme going for as long as we have.

Should you have any questions regarding this matter please don't hesitate to contact me.

Yours sincerely,
Mike Ellis

Manager
