## What is Exeter Shopmobility?

Anyone needing help to get around the city centre can borrow a manual or powered wheelchair or scooter for shopping, sight-seeing, business or meeting friends.

## How much will it cost?

There is a £6.50 charge for the hire of a wheelchair or scooter for the day. As Exeter Shopmobility is part of a registered charity, further donations are always gratefully received.

## Will you make sure a vehicle is available for me?

Booking by phone will ensure that a suitable vehicle is available, but we will always try to help you if you just call in. You will be met by a volunteer or member of staff who will complete a simple registration form with you. On your first visit please bring 2 forms of identification.

Supporting independent mobility  
in Exeter

## Our Vehicles

Our mobility scooters come in three or four wheeled versions, in many different sizes, with various components to help us find the right scooter for you. We have a range of powered and manual wheelchairs, so whether you are with a carer or on your own and in need of a little extra help, we can find something to suit your needs.

## Long Term Hire

If you're coming to stay in Exeter or going away elsewhere, long term hire is available for manual wheelchairs and collapsible scooters. It costs £6.50 per day to hire a manual wheelchair and £10 per day for the boot scooters.

## Who is it for?

Shopmobility is for anyone of any age no matter whether their mobility difficulty is temporary or permanent. The service is available to residents and visitors to Exeter.

## Opening Hours

We are open 10.00am – 4.00pm Monday to Friday and 10.30am – 3.30pm on Saturday.

## How do I use a scooter or powered chair?

Training in the use of the vehicle will be provided and, when you are confident, the city is yours!
